Dear Parents,
Next week our Muslim children and their families will be celebrating EID. We realise that there will be quite a few students away and have made adjustments to our teaching program so as the students who are away will not miss out on new learning. Students that will be attending will be working hard on consolidating skills that they have been learning over the term. It is very important for the children NOT celebrating EID to come to school as normal.

EID LUNCH - TUESDAY 11th June – We will be celebrating EID at school. Please send along a SMALL plate of food to share with the grade.

ASRC Asylum Seeker Resource Centre

We have started to collect food for our annual Refugee Food Drive. Please send in items from now to the end of term and place them in the cage placed in the corridor in front of the sliding door.

Give food and goods - Offer someone a hand up by donating food or goods to our programs, you will fill an immediate need for refugees and people seeking asylum.
The Foodbank grocery store in Footscray provides food and essentials to more than 620 refugees and people seeking asylum each week. They rely on community donations to stock it – almost 90% of our food and essentials is from people like you.

PHYSICAL EDUCATION - NEWS

Dear parents,
I would like to remind all parents to make sure that the students are dressed appropriately for PE. It is cold out in the yard and some children are still wearing shorts. Beanies, jumpers and long warm pants are suitable for PE during the winter months.

Kind regards,
Kellie-Marie Gaskell
P.E. Teacher

Please don't forget to send in the woolworths stickers. The school will use them to get more equipment for the students.
Thanks Jo
Sticker sheets are available at the office.

Blade was so happy to be able to use his creativity skills to build a castle.

"Building things makes me relax.

It came in a lot of parts and I put them altogether.

It didn't take me long to make it.

As you can tell by my smile I am very proud of what I made."
