Matthew!

He exchanged 40
Gotcha cards for a
cooking session.

Prep enrolments for 2019 are due!!!

Please pick up
an enrolment
form at the
office.

Dear parents,

happy
holidays!

HAPPY HOLIDAYS!

Wishing everyone a wonderful term break. It's been a busy and rewarding Term 3. See you all on October 8th, refreshed and ready for an exciting Term 4.

CARPARK WORKS

Over the holidays works are beginning to have both carparks asphalted. This work will carry into Term 4. Please be aware that there will be an increase in cars parked on the street due to staff not having access to these carparks.

Although this may cause a bit of disruption or a slightly longer distance for your child to get to the gates please follow road and parking rules at all times. **Our students' safety is paramount!** Stopping on school crossings to let your children out of the car or stopping in 'No Standing' areas is extremely dangerous as it causes blind spots for other drivers.

I will keep you informed as we progress through the project.

FOOTY COLOURS DAY

Don't forget to buy a raffle ticket for Footy Colours Day before this Friday the 21st of September! All students are encouraged to wear their favourite AFL, Soccer or Rugby colours/jerseys and bring a gold coin donation on the day. We will have some special visitors who will also help run Footy related activity rotations between 9-11am. Any parents and family members are welcome to come along on the morning and also for the 2pm assembly where the raffle and colouring-in competition winners will be announced.

Regards Susie Bellizia

EVERYday counts attendance matters

SCHOOL ATTENDANCE

This term we have seen a big jump in students with attendance levels less than 89% this means they are missing on average almost one day every week of school – which may not seem like a lot but over a year that’s almost an entire TERM worth of school.

We appreciate and understand at times they may be absent due to medical reasons or appointments and this is ok we just ask that a medical certificate is sought when this occurs. Where possible Family trips and holidays should try to be made within school holiday times as this limits the disruption to student learning.

Other reasons your child might not want to come to school

- anxiety or other emotional difficulties
- friendship issues
- learning difficulties

When children miss school regularly,

- they miss out on learning the fundamental skills that will set them up for success in the later years of school
- puts them behind, and can affect their educational outcomes
- may have lower achievement in numeracy, writing and reading.
- Have trouble making and keeping friends

As a parent you are legally required to ensure your child attends school and when they cannot provide a reasonable explanation. Please note as a school we are also obligated to make referrals to the Department of Education & Training, when students miss a considerable amount of school without a reasonable cause, this may lead to an attendance officer being nominated to your child or may lead to you being issued with an infringement or fine.

As we do not want this to occur and want to support families here at Campbellfield Heights PS, please let me know throughout the year if you feel there are factors impacting your child’s attendance.

Thank you,
Maritsa Rousalis
Student Engagement & Wellbeing Leader

Campbellfield Heights Primary School
