Dear parents,

I can't believe next week is the last school week for 2018. The year has flown so fast and we have achieved so much.

I would like to personally thank the grade 5/6 teachers for preparing the grade 6 students for their Graduation. I was so proud of all the students. Their speeches were well written and presented. The dance was performed with enthusiasm.

The students looked amazing and they acted so maturely throughout the whole night.

I would also like to thank the parents who listened respectfully to all the students as they read their speeches.

Finally thank you to all the staff that came along to celebrate the night with the students. They loved seeing you all there to support them.

Next week will be a very busy one!!!!

Monday 17th December – 9:15 am

Carols@CHPS - Parents are invited to come along to the Pavilion and watch the children perform their amazing songs. They have been practicing so much and it would be good to have as many families watching as possible. Also the Grade 6's will be performing the dance they performed at their graduation.
