Dear Parents,
 Thank you to all the community who have been collecting Coles sports vouchers. Fiona from the office went down to Coles at Campbellfield Plaza and picked up a FULL box of coupons. She replaced the full box with an empty one.
 You can either put your vouchers in the box at the shopping center or bring the coupons and place them in the box in the school corridor.

WEEK 5	
Frid 9 th March	Canteen Open ASSEMBLY 5/6 Interschool Sports AWAY \$8 due

WEEK 6	
Mon 12 th March	LABOUR DAY PUBLIC HOLIDAY NO SCHOOL
Tues 13 th March	Breakfast Club 8:15

We are collecting the Coles sports for schools vouchers bring them in to the office. Help support the school by getting some sports equipment .

NOTICE FOR PARENTS OF STUDENTS IN FOUNDATION

AUSTRALIAN COLLEGE OF OPTOMETRY

On Wednesday 7th March, we sent home with your child some extra Optometrist forms for you to complete and return to school. Thank you to the Parents who have already done this, they have already been seen by the Optometrist.

We have another visit booked before the end of this term and are still waiting for 10 Foundation students to return their forms. Please return these forms as soon as possible so as your child can have their eyes tested.
 Thank you for your support.

Regards Jo Howard

SCHOLASTIC
Book Club
 orders are due:
 Tuesday 13th March

Reminders

Junk food is not allowed to be bought in for students lunches

Parents are requested not to bring in KFC, McDonalds etc. It is not healthy and not fair for the rest of the students in the grade. The preferred drink for students to have at school is WATER. Please do not send in any ENERGY DRINKS eg. "V", "Redbull etc."

A healthy lunch is encouraged: Sandwiches, wraps, vegetable sticks, fruit, yoghurt etc.

Birthday Celebrations at school

If you would like to send in a cake to celebrate your child's birthday, we ask that you send in 'CUP CAKES'. Teachers do not have the time or facilities to cut up large cakes.

Student Safety

Parent's cars are not permitted to enter into the staff carpark. Also, please drive safely and slowly around the school and make sure to stop at the school crossings.

Fruit Snacks

Please remember to send your child to school with a fruit snack. Each day at 10am, children have time to eat their fruit. We do ask you to ensure that the fruit you send does not require cutting or peeling by the classroom teacher.

Asthma Plans

Should your child suffer from asthma, it is important you bring a current Asthma Plan (written by your doctor) to school. The plan outlines the best treatment for your child should they suffer an asthma attack while at school.

School uniforms

Our school uniform is compulsory, so we ask that all children attend school in school uniform. This includes a sun hat in Terms 1 and 4. Uniforms are available at the school, just come in and see our friendly office staff Karen, Fiona and Debbie.

Communicating with Classroom Teachers in Person

At Campbellfield Heights Primary School, we really value communication between parents and Teachers. Before school, the teachers are preparing for the day and afterschool on some of the evenings the teachers are attending meetings.

If you would like to meet with your child's teacher, please ring the school (9359 5502) and we will have the classroom teacher ring you back to make a mutually suitable time to meet.

Notify the office of any change in details

Please let Karen, Fiona or deb in the office know if you have changed your address, phone number of the names and details of your emergency contacts.

School Values – Logo Competition

Help your child/ren design a "Respect" Logo that will appear on our SWPBS Expectation Matrix – Parent/Caregivers to work on with students. One entry per CHPS Family.
Flyer sent home and on FlexiBuzz.

Box of Tissues

We require every child to bring in a box of tissues each term. Please send a box in with each of your children as soon as possible.

Place Value

In 3/4B, during our Math sessions, we have been looking at Place Value. We started with ordering numbers 0 to 100. We did such a good job at this that we are now ordering numbers 0 to 1000. We have used number cards (like in the photo above) and MAB blocks (photo below). We are beginning to see the how and where these numbers fit on a number line. We are really enjoying our number sessions.

Help your child become a better **READER**

Questions to ask your child while reading
nonfiction text.

- What is the main idea of the text?
- Can you tell me something you already know about this topic?
 - What did you learn from reading the text?
- Are there any words that you do not know what they mean?
 - What are some new words that you learned?
- Do you have any questions after reading this?
- Were there any features (diagrams, charts, pictures) that were important?
 - Where could you find out more information about this topic?
- What questions would you ask the author about this topic?
 - What would be a good title for this text?
- Can you think of another book that you have read about this topic? How was it similar? How was it different?
 - Did you like the text? Why or why not?
