Dear parents,  
I hope this newsletter finds you well and that you are coping with Melbourne's yoyo weather.

Last week we sent a notice out regarding **Before and After Care**. I have attached the form to page 2 of this newsletter. If you have lost it please come to the office and we will give you another printed version. We need at least 15 students attending for the program to go ahead.

This year we are having our 'School Review'. The school gets reviewed every four years to see how we are going as a school against the goals we set out four years ago. The review will be completed by an independent reviewer – Shane Frost, two principals from other schools – Jason Coningsby & Tony Cerra and our school's – School improvement Leader – Viv Tellefson.

All our school documents will be reviewed, teachers, parents and students will be interviewed and focus groups will occur. Classrooms will be observed as well.

Parents may receive a call and be asked to come in and be on a focus group to contribute their ideas and thoughts on how they see our school. After the review we will be writing our new four year goals in our School Strategic Plan.

### More information to follow.

**BOOK FEES FOR 2021** – School Council agreed to charge parents \$100 for 2021 Book Fees and for the school to supplement the payment of \$60. The booklist payment form was sent out last year. All the supplies have been ordered and delivered. Please ensure you pay the school fee of \$100 per child by the end of February. Thank you.

You can pay in instalments if you are finding the full payment in one go hard to manage. Please see the office staff and or Jo.

**COMPASS** – We are moving from Flexibuzz to Compass. At the moment parents are receiving SMSs for absences.

Please use this link to notify us of why your child is absent. It is very easy to complete.

Compass will be used for other communication in the near future e.g. Newsletter, reports, Notices etc.

Regards Jo Howard
