## Principal's Bulletin

**Welcome to a wonderful week at CHPS and our first week of term 2!**

I hope you all had a lovely break. I have heard some great stories about trips, yummy dinners and going to see some of the wonderful places Victoria has to offer like the zoo and aquarium.

My family and I travelled to Yarrowonga for a few days, a lovely place to relax and enjoy the beautiful Lake Mulwala, go on a paddle-steamer and see some Silo art.

To all our families celebrating EID in the coming days - may the essence of EID bring you prosperity, happiness and wonderful times with your family and friends.

**Beanies** are available for purchase from the office for \$10. Students can wear them outdoors during our cold days. Students must wear a beanie with a school logo.

Thank you to everyone who contributed to and attended our **ANZAC Day ceremony** on Tuesday. The local RSL has received our flowers and student art pieces.

**Assembly** will be held fortnightly starting next week: May 6<sup>th</sup> at 3pm

We are calling for **volunteers** to sell **Mother's Day** gifts at our stall on Friday 6/5/22. Please contact the office if you can assist.

## OUR SCHOOL VALUES

## LETTER FROM JOHN FAWKNER COLLEGE PRINCIPAL

**Dear Primary School Students and Families,**

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Executive Principal of John Fawkner College. I am honoured to have the opportunity to lead a school with such a strong commitment to education.

Along with the teachers and staff, I will work hard to continue our strong relationship with our local families and work towards making JFC the school of choice for members of our community. I come to this school with a range of experiences and educational milestones. As a young person, I attended a state school in my community in a country town and this early connection through school to community has always underpinned my later approach to teaching and school leadership. Those connections are crucial and provide great support to young people as they go through their adolescence.

At JFC, we are committed to nurturing the students as they grow to be the best they can be every step of the way. This year, our focus has been on re-connecting and re-engaging our students, after the last two years of lockdowns and remote learning. As well as maintaining structured classrooms and an ordered learning environment, we have tried to do this by starting up several lunchtime clubs and activities, including, Gardening, Computer games, Board games, Gym, and Music and song writing

We have already had the athletic and swimming sports carnivals this term, as well as several sport days for students to compete with other schools in soccer and volleyball. Our aim is to provide an interesting and challenging environment where students can pursue their own interests and develop their skills in a wide range of opportunities. We also have developed leadership opportunities in SRC and sports and led fund raising activities such as Shave for a Cure..

2022 is shaping up to be an exciting and challenging year as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections.

As your Principal, it is important to me that everyone who steps through our doors is committed to being here. This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. We expect the students to work hard, as through hard work and perseverance, students can challenge themselves, take risks in their learning, and discover their strengths and abilities.

Thank you for considering John Fawkner College as your secondary school of choice for 2023. I look forward to us working together for many years ahead.

Dr Lisa Vinnicombe  
Executive Principal, JFC
